MEMORANDUM FOR: Special Assistant to Deputy Director of Central Intelligence

FROM : Harry E. Fitzwater
Director of Personnel

SUBJECT : NAPA Report Recommendations

Vince:

The minutes of the Executive Committee meeting of 29 May charged Mr. McMahon with developing a paper on flow-through policy, Mr. Wortman with a paper on uniform guidelines for comparative evaluation, and Mr. Ware with a paper on the use of labels for Agency employees such as professional, technical, and clerical.

We find that many NAPA recommendations interrelate with each other and potentially could affect the way another is developed. I believe it to be preferable as well as practical that these papers (as they are received) be incorporated in the NAPA Project Group study, and that this Group's activity would be best served by its being the focal point to which all NAPA related issues are reviewed and considered. If you agree, please get the DDCI's approval to forward these papers to the NAPA Project Group for their action.

Signed

Harry E. Fitzwater
